APVA's Founder Inducted Into The Long Island Volunteer Hall of Fame 2010

The Long Island Volunteer Hall of Fame was established in 2002 to honor volunteers whose efforts led to the founding of local nonprofit organizations, as well as outstanding lifetime achievers in volunteerism and inspirational youth volunteers.

The Hall of Fame celebrates the giving spirit of Long Islanders who make our community a special place to live.

Maida Cherry's own experiences coordinating volunteer activities for a series of non-profit organizations convinced her that volunteer managers would benefit from having a place to connect, learn best practices, share stories and gain professional training.

Ms. Cherry founded the APVA in 1996 with the specific intention of helping to address the scarcity of guidance for those in the field.

The APVA is proud and honored that Ms. Cherry was selected to be inducted into the Long Island Volunteer Hall of Fame. Her determination has led to 15 years worth of professional development and networking for volunteer administrators across the Island. We are full of gratitude for her legacy.
